

**M P10 .- MANU ZONE RESERVED NATURAL PARADISE 7 DAYS / 6 N. WITH BLANQUILLO (BIG MACAW CLAY LICK ) AND PUERTO MALDONADO (BUS / FLIGHT PEM)**

**DAY 01: CUSCO - CLOUD FOREST - PAUCARTAMBO – PILCOPATA LODGE.** - We pick up from your hotel very early in the morning from 5:30 a.m. at 6:00 a.m. in our comfortable and private bus. On the way, we visit the funerary towers or Chullpas de Ninamarca at 3750 meters above sea level and a brief visit to Paucartambo, a folkloric town, a colonial bridge. We ascend to the upper area of Paucartambo, the Acjanaco sector. (4000 m.s.n.m) This is the point of entry to the Manu National Park. Then we descend through the mysterious cloud forest, which hosts a great variety of flora and fauna, full of beautiful orchids, heliconias and primitive ferns. We take a walk to give you the opportunity to witness the Cock of the Rocks (*Rupicola Peruviana*) in the ritual of mating. There are also possibilities to observe Trogones (*Trogon* sp.), Quetzales (*Pharomachrus* sp.) In addition, much more and if we are lucky we can observe Spectacled Bear (*Tremantus Ornatos*). In the afternoon, we arrive at a village Pilcopata at 550 meters above sea level in our typical lodge that is outside the town with private bathrooms and showers where we will spend the night.

**DAY 02: PILCOPATA-ATALAYA- BOCA MANU LODGE.-** After the delicious breakfast we continue our trip 45 minutes by bus to watch on the way we observe coca plantations and fruit trees, we embark on motorized boat for the Madre de Dios high river, On the way we can see a variety of birds, such as herons, Kingfisher and always the presence of vultures of which the most spectacular is the condor of the jungle, the king of vultures (*Sarcoramphus papa*) and the Jaguar (*Panther Onca*) we also have a stop in natural hot springs, to take medicinal baths, if we still have time we visit the Native community of Diamante to see their typical constructions of houses and see the wild fruits they have. In the afternoon we arrive at the village of Boca Manu (280 m.s.n.m.), where we have the accommodation. lodgel with showers and bathrooms.

**DAY 03: BOCA MANU LODGE- -COCHA OTORONGO RESERVED ZONE.-** After breakfast we enter the reserve area where we will have more opportunity to observe the biodiversity that the Manu offers, a brief stop in the control of park rangers station . The boat trip continues and one begins to realize why Manu is so famous for its wildlife. On the river, there are groups of turtles, white alligators (*Cayman cocodylus*) or perhaps some ronsocos (*Hydrochoerus, hydrochaeris*) and many more. In the afternoon we arrive to our safari camp in Cocha Otorongo (250 m.s.n.m) (double beds inside platforms) shortly after we organize a walk to visit the lake and the observation tower of 30 meters from where we have the opportunity to observe the river wolves. Here in the Manu the animals have never suffered hunting persecution by men. Night in safari camping on platforms with roof double beds with mosquito net. Showers and shared bathrooms.

**DAY 04: COCHA OTORONGO-COCHA SALVADOR. RESERVED AREA.-** The group visits Cocha Salvador today, which is 30 minutes away from Cocha Otorongo. Today they explore walking in the virgin primary forest; we visit the lake to paddle silently on a catamaran that gives us the chance to observe the river wolves again and a variety of strange birds, the sultana (*Porphyryla Martinica* or *Garza Agami*). *Agamia*) and monkeys of different species are almost certainly observed 9 species. We later walk on the main trails with the guide to learn the operation and

secrets of the tropical forest. In the afternoon we return to our camp in Cocha Otorongo. On platforms with a roof Beds with mosquito net Shared showers and baths available Optional night walk.

**DAY 05: COCHA OTORONGO - BOCA MANU- BLANQUILLO** (Collpa de Guacamayos).- After a delicious breakfast we continue with our trip in the imposing manu and Madre de Dios River, until we arrived to the impressive Collpa de Macaws, where we will have a walk to explore the various trails around the lodge. Where we will spend the night, Night in lodge .

**DAY 06: BLANQUILLO ( BIG MACAW CLAY LICK ) - COLORADO –PUERTO MALDONADO.** After a delicious and nutritious breakfast, we will continue with our itinerary traveling by boat to observe the COLORFUL MACAW CLAY LICK. WE WILL OBSERVE FROM A PLATFORM or a catamaran typical of the area. A SPECTACULAR SHOW OF BIRDS of great variety, monkeys, reptiles, dwarf alligators and insects, groups of turtles and maybe some ronsocos (Hydrochoerus hydrochaeris) after this unforgettable ride we will return by boat for 4 hours and then by bus 3 hours to Puerto Maldonado.

**DAY 7.-- PUERTO MALDONADO - TO CUSCO OR LIMA.** Depending on the flight time. They usually arrive in Cusco 1:00 p.m. or Lima.
